Grand Panama Canal - Full Transit!

We're offering "Gratuities Included" on this Grand Canal cruise aboard Nieuw Amsterdam, in the Spring of 2024! We love this itinerary because of the expanded Caribbean portion. Enjoy Turks and Caicos, Curacao, and Cartagena before your transit of the Canal - there's no better Caribbean portion on any full-transit Canal cruise. With just 2100 guests, this ship is the perfect size. Sail through the Continental divide and home to Vancouver. Your day transiting the Panama Canal is narrated by an onboard expert who brings it all to life - the triumphs, the tragedies. 25,000 workers gave their lives as mountains were literally moved to join the Atlantic and Pacific Oceans. It's a spectacular day and, with any luck, you might have a rain storm - a remarkable event to witness as you learn how 55 million gallons of water per ship, is replaced! Onboard **GRATUITIES** are normally \$16 USD/person/day x 22 days. This really adds up. Book now and your gratuities are included for the entire cruise. It doesn't get any better than getting your flight out of the way, stepping aboard in Florida and sailing all the way home! Call us today!
